Red Cross Praised For Aiding Visits Of Bloodmobile

Dr. John Beeman, local physician and surgeon, this week complimented the Torrance Branch of the American National Red Cross in the part they have played in obtaining dozens of groups here in Torrance to actively take part in the Bloodmobile units which have been here in Torrance during the past year.

Said Dr. Beeman, "Torrance Memorial Hospital alone has used almost 90 pints of blood in one month and every pint I have needed for a patient has been in the hospital, ready to be used."

"It's so easy, convenient and certainly wonderful for me and my patients to know that through 'participating groups' the blood is always on hand. You have no trouble at all and the patient recovers so much faster."

Every pint of blood is needed for friends and relatives who make that unpredictable trip to the hospital or for our boys in Korea.

Make your appointment for the blood bank today by calling Torrance 3447. The bloodmobile unit will be in Torrance at the Civic Auditorium, September 27th from 3:30 to 8 p.m.
